Standard Group Program

THE PROGRAM

The program consists of 1, 2 or more weeks with 20 units per week of Spanish classes combined with different cultural activities that require the use of the target language. In addition, it includes the organization of accommodation with Spanish families in double rooms with half or full board. On the day of arrival there is a reception at the school. Students are given folders with all pertinent information. An orientation talk is given by the director and the head of marketing, including a brief introduction to Madrid, the program, cultural activities and Spanish classes. Later the students go to their respective accommodation, be it with a family, student residence or hotel. Students are met by their host families who then take them to their respective homes.

**Other options are possible on request.

LANGUAGE COURSE

Language classes will take place from Monday to Friday from 09.30 to 13.00 with one break. During the two morning blocks, the group will have two different teachers, both of whom work with a communicative methodology. The students will have intensive practice, focusing on oral and listening skills. If the client schools so wish, the classes can be designed towards the resolution of particular tasks or tailored to cover important themes for their learning.

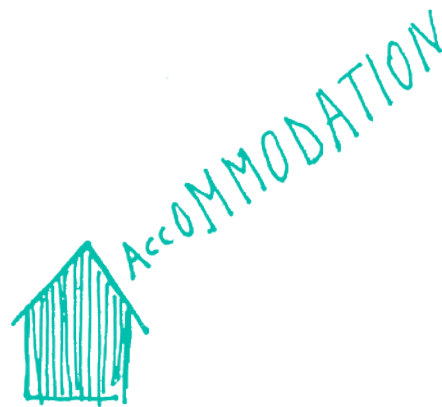

CULTURAL PROGRAM

The cultural program is designed to promote the continuous use of the target language. Therefore, the program is comprised of a daily guided activity and an optional excursion at the weekend. All of the activities are programmed by the directors of the TANDEM Cultural Program who also serve as the guides and chaperones of the group.
